

bright design

it's really easy to find bright design:

from Fuengirola: take the first right from the Cn 340 immediately after you see McDonalds on your left, travel north on Avenida España, turn left into calle sevilla and continue to the top, (T junction) turn right into Avda de Cortijo then left into Calle Jaen. Travel north some 500m. Bright design is on the right, next to Bar Cornisa.

from Marbella: take the first right from the Cn 340 immediately after you see the sign for Calahonda, travel under the CN 340 turn right and taking the second exit from the roundabout into Avenida España. Turn right into Avda de Cortijo then right into Calle Jaen. Travel north some 500m. Bright design is on the right, next to Bar Cornisa.
